} A fresh start for GPY Marine

MARINA DI VARAZZE, SAVONA

GPY Marine makes a grand return to the yachting scene. This dealer, which has recently signed an agreement with the Ferretti Group for selling the Ferretti Yachts, Pershing, Itama and Mochi Craft brands, held a marvelous weekend of open days for customers and prospects at its offices in [Marina di Varazze](#). On October 7 and 8, Ferretti Yachts 450, Ferretti Yachts 650, Pershing 5X and Itama 75 were placed at guests' disposal for on-board visits and test sailings. Without a doubt, the star of the event was the Ferretti Yachts 780, a brand-new yacht for 2017 which debuted at the last Cannes Yachting Festival. The two open days were the best possible celebration for the fresh start of GPY Marine. The climax of the event was an elegant cocktail party on the dock, where guests were entertained in a party atmosphere, and with magnificent Ferretti Group yachts forming a splendid backdrop.
